ORDER DENYING PETITION

This proper person petition for a writ of habeas corpus challenges petitioner's 1999 judgment of conviction. We have reviewed the documents on file with this court, and we conclude that petitioner has not demonstrated that he is entitled to relief. Specifically, a petition for a writ of habeas corpus should be brought first in the appropriate district court.<sup>1</sup> Petitioner may then appeal to this court from an adverse decision.<sup>2</sup> Accordingly, we

ORDER the petition DENIED.<sup>3</sup>
