Good morning Ms. Lerud, Kuhl, Martinez:

I noticed an upcoming hearing was advanced unexpectedly to the 28th and I wanted to reach out with an SCR 230(1) request to provide electronic coverage before it was too late. It looks like a Faretta canvass will occur at this hearing and its something I've been especially interested in publishing.

I recall this is an in-person hearing only, so I cc:ed Christine Tosti (camera operator). I also recall portions of the hearing may be confidential due to attorney-client privilege and wanted to provide assurances that Christine can remove the camera from the remove as the judge directs. If, however, the entire proceeding is closed to the public, please let me know.
