I, Alexander Falconi of Our Nevada Judges, hereby request permission to record and publish the parole hearing for NDOC#1229059 scheduled for March 8, 2022, at 1:00 p.m. I hereby certify that I can comply with whatever rules or requirements are imposed for camera access of these proceedings to occur.

We routinely record and publish judicial proceedings as well as disciplinary proceedings before the Commission on Judicial Discipline and would appreciate the opportunity to introduce our viewers to these parole proceedings, especially given the fact they have had the opportunity to view and learn from the underlying criminal proceedings presided over by District Court Judges Ronald Israel and Cristina Silva.

Sincerely,

A handwritten signature in blue ink that reads 'Alexander Falconi'. The signature is written in a cursive, flowing style.
