Hello Mr. Falconi,

I apologize for the delay in getting back to you as I was out on vacation. This case was on the approved list and how we record those is all in one hearing because Commissioners do them in bulk once they are approved. He will say these are the cases that are approved and then call the case number and page number. This will cost you \$40.00 and I am happy to find the 5 or 10 seconds of the audio, but I have also taken the liberty to attach the minutes for you as hopefully that will suffice. Please let me know.

Thank you!
