Vincent Richardson	State Board 4	*Judge Gloria Sturman	*Judge Kathleen Delaney

NOTE: Unfortunately, due to the large number of candidates running in several seats there are many races we did not have the resources to vet in this primary for endorsement. We hope to include several additional key races in the upcoming general election. Also, some candidates may not have returned their candidate questionnaire and may not be interested in a CCBC endorsement.

CCBC promotes and encourages African American candidates to run for public office, it has been our experience that officials who may not be African American can still do a good job of serving the interest of Black Nevadans. Therefore, it is not a requirement of the Caucus in earning an endorsement. However, we also believe African Americans are under represented in public office and hope anyone thinking about running for office will please reach out to us. We believe in diverse representation. Please consider voting for the candidates above on election day and share with your friends, family, and social networks. Thank you!

* Does not have an opponent **General Election ONLY ***Election will be determined in the Primary & not on general ballot
