

Clark County Black Caucus

2014 PRIMARY Endorsed Candidates

On Saturday, May 10, 2014 members voted to endorse the following candidates in their 2014 Primary Election ONLY. Please be aware that this endorsement is only intended for the upcoming election on June 10, 2014 and ALL candidates moving to the General Election will be re-evaluated, along with those candidates without a primary race, before deciding on a General Election Endorsement. In some primary races, members chose not to endorse any candidate at this particular time. Please be aware that ONLY those candidates with a primary race were evaluated at this time and therefore you may not see ALL campaigns listed in this endorsement, with the exception of those candidates members chose to give an early endorsement, due to the strong ongoing relationship with the Black Caucus.
