Judge Michael Villani,

Over the past few weeks, the Juvenile Probation Officers' Association (JJPOA) has had the opportunity to observe and evaluate the perspectives and agendas from the various candidates in the Clark County, Nevada 2020 Primary Judicial elections. Your pragmatic views and wealth of knowledge and experience has set you far apart from the rest.

Members of the JJPOA take pride in forging changes within the community. We strive to restore safety and stability in the homes of the clients we serve. However, there is a population of our clientele who move on to the adult criminal system. We appreciate your attention to details, knowledge of the law, and objectiveness to the cases before.

On behalf of the JJPOA, I am writing to express our support for your campaign and our intention to vote for you as the District Court Judge, Department 17. We are hopeful in your success and will spread the word about your commitment to accountability.

Sincerely,  
Juvenile Probation Officers' Association

Katherine Cortez  
JJPOA PAC Chairwoman

Kevin Eppenger  
JJPOA President, PAC Co-Chair
