Brian Harris shared a link to the group: **Independent Black Voters**.

The Independent Black Voters endorsed Judge Eric Johnson to be retained for Distict Court Dept. 20. Our goal during this election period is to interview a majority of the candidates running for office. I was fortunate to have been able to interact with Judge Eric Johnson for many years thru the sheppards breakfast. However, the attached interview sealed the deal. We need people like Judge Johnson that interact with our community on a regular basis and truly understand systemic racism. So please take the time to watch the attached video and share with at least 10 friends. If we want equal justice, then we MUST be informed and engaged voters. <https://youtu.be/LozWkkj6X4U> Our Vote is NOT FREE
