The following video has been added to the Independent Black Voters group and over 20 affiliated groups.

<https://youtu.be/GRlfe2JRZPs> I am requesting that all 36 endorsed candidates forward this link to at least 50 people and ask them to do the same.
By working together we can reach over 25,000 people

As an endorsed candidate, you have been invited to our first of a series of outreach events. We are inviting the subdivision to stop by and meet the candidates for 15 minutes or less. The event will comply with social distancing guidelines and masks are mandatory. So far we have roughly 28 candidates and will cap the number at 35. If you are interested and have not responded to invite, please do so. It is important that we have an accurate count.

To comply with social distancing, we will limit the amount of time and people. We are limiting the number to 40 people and 15 minutes to meet the candidates. **WEE: Mask Required**
