Candidates,

Congratulations, you have been endorsed. Attached is a copy of our logo that can be put on your website. You should have received an invite to our endorsement party on September 11th. Please contact us ASAP if you did not receive it. It is important that I get a firm count. <https://www.facebook.com/events/2868368449941800>

So here is the plan - On September 11th we will have an endorsement party at my house. WE will film the event live on facebook and also do separate interviews of the candidates. I plan on inviting my community with a 10 and end promotion. My community will be given an invitation to stop by for 10 mins and then leave. We will have a maximum capacity of 50 people at any given time. At the end of the event, we will invite 20 people to get on the bus and ride down the Strip for a quick bus celebration!

On September 15th we will start our get on the bus visiting strip malls and DMV's throughout Clark county. I will work with participating candidates to set up a schedule. To offset this expense, I need a minimum of 20 candidates to participate. We will pass out our endorsement ballots and give out water and snacks. The cost is \$500 for the month of September as we do our outreach ground game. <https://theblackbusinessdirectory.biz/product/blackbook-media-black-outreach-phase-1-get-on-the-bus-september/>

Note - I need an official count of participants by the end of the week

10 and end Outreach - I will be working with candidates participating on the Get on the Bus outreach to set up strategic community gatherings under the same format.

Raffle Fundraiser - IBV working with EMC Consulting will be doing a raffle of an electric motorcycle and more.

Sincerely,

Brian Harris
