Re: Vegas Voice Endorsement

Dear Mr. Kurtz:

The Vegas Voice is the largest senior publication in Southern Nevada. Our publication is now and has previously supported various judicial, political candidates and issues that pertain to our readers.

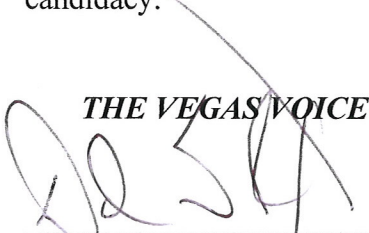

The literally thousands of responses that we received concerning senior guardianship proceedings demonstrates that our readers place extraordinary interest in matters that directly affect them, their children and their grandchildren.

The Vegas Voice is proud and privileged to endorse your candidacy for District Court Judge, Family Division, Department E.

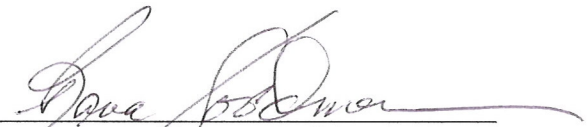

From your prior experience in private practice to serving as a Family Court hearing master, there is no question that you will restore the dignity now sorely missing as well as possessing all the qualities necessary to be a fair and dedicated judge.

The Vegas Voice takes great pleasure in giving you our unequivocal endorsement for your judicial candidacy.
