Hi David,

Thank you for reaching out you saved me the trouble. On behalf of CCEA's Government Relations Committee let me be the first to congratulate you on winning our endorsement! Good Afternoon again,

I just wanted to say thanks for taking time out of your weekend to interview me. I forgot to mention that while I was in law school in Arizona I served as President of the Graduate and Professional Student Council just as the great recession was unfolding in 2009. My chief role was fighting against budget cuts to education. While respecting my official role, I personally advocated for the passage of proposition 100 which would increase the sales tax to help fund education.

Anyway, I enjoyed meeting you and appreciate your time and consideration.

Best,
