

The Nevada Republican Club is changing its recommendation for District Court Judge in Department 32 based on recent events. Judge Bare's decision on May 5th in a recent case completely disregards the Nevada Constitution's requirement for a two-thirds majority vote in the Legislature to increase revenues. Please review the Las Vegas Review-Journal article at <https://www.reviewjournal.com/post/2022826>. Judge Bare's decision disregards the will and intent of the voters and the explicit language in the Nevada Constitution merely to give the left-wing Democratic Legislators "justification" for violating the Nevada Constitution and makes him **unfit to retain his position as a District Court Judge**. We now recommend that voters cast their ballots for **Christy Craig for District Court Judge in District 32.**

**Nevada Republican Club Recommendations for Contested Judicial Races**

Since 1981, the Nevada Republican Club (NRC) has brought conservatives together to educate our members on current issues and policies and to promote sound, honest & ethical government at all levels. Since Judicial races are nonpartisan, the NRC recommends a slate of judicial candidates based on the candidate's experience, competence, integrity, honesty, and courtroom demeanor. The Club measured these qualities based on interviews of, and opinions and recommendations from, (i) conservative, practicing attorneys in family and state district courts and (ii) courtroom insiders (including court clerks and administrators). We also reviewed any available videotaped debates of the judicial candidates hosted by the Las Vegas Review Journal. We reviewed the candidate's Mardindale-Hubbell rating, website, and caseload to determine their expertise and experience. In two races, the Club declined to make a recommendation, because, in our opinion, the candidates are equally qualified. Accordingly, the NRC Board of Directors makes the following recommendations for judge:
