## Political Endorsements

### Greetings,

*Each year, NAPSO/CWA Local 9110 gains more political strength to effectively lobby on behalf of our growing membership throughout the State. In 2015, after enduring one of the worst legislative sessions this State has ever seen, and after watching as our colleagues in the law enforcement community were ineffective in handling some of the key legislative issues that targeted their members and ours, NAPSO was at the forefront of creating a statewide law enforcement coalition to finally speak with one voice at the Nevada Legislature and throughout the cities and counties of our great State. We are now part of the Nevada Law Enforcement Coalition and we bring together many of the major law enforcement Associations in Nevada.*

*Partisan and non-partisan candidates will seek our coalition's endorsements now and in the coming years. NAPSO's power extends not just to Carson City, but to our U.S. Congress as well. NAPSO's leadership in the coalition's endorsement process has been rewarding and has brought together many law enforcement's political lobbyists like never before. We have discarded mere political party affiliations as the means to endorse a candidate. Rather, we will endeavor to select candidates to receive our endorsements based on the content of their character, their desire to understand the issues that face our members, and their willingness to fight for the rights of the hard working men and women of law enforcement.*

*Toward that goal, the following represents the coalition's endorsements for the 2020 general elections:*

### 2020 United States Congress

- Congressional District 3 - Susie Lee

### 2020 Clark County Commissioner

- Commission District A - Michael Naft
- Commission District B - Marilyn Kirkpatrick

- Nevada Court of Appeals - Bonnie Bulla
- Clark Co. District Court, Dep. 1 - Bitia "Marie" Yeager
- Clark Co. District Court, Dept. 2 - Richard Scotti
- Clark Co. District Court, Dept. 3 - Adam Ganz

- Clark Co. District Court, Dept. 5 - Terry Coffing

### A Message from the Executive Director

#### NAPSO's Office Will Remain Open

During these emergency times involving the COVID-19 virus, the NAPSO main office will remain open under the Governor's Order No. 003, Section 8, which states that non-enumerated businesses may remain open if they do not open to the general public and if they implement social distancing safeguards. We consider the NAPSO operation as providing vital supportive services to our public safety members who are essential to the health, welfare and safety of our communities.

Therefore, while the NAPSO office is open and until further notice, the outside doors shall remain locked to the public. Access can be achieved with a key, the door codes or by having someone in the building allowing entry. Believe it or not, we do experience a small volume of the public who walk in the front doors when they are unlocked during the business day and that must be eliminated. Remember there is a door bell at the front door.

I am recommending that all functions that are scheduled in the building by outside interests (parties, gatherings, meetings of more than 10 people) be canceled or postponed.

I believe these practices will be in accordance with the Governor's Directive and that we are mandated to follow them.

Please stay healthy and safe.
