**Subject: Congratulations! PLAN Action Endorsements**

Congratulations!

On behalf of our Executive Director Laura Martin, we are excited to inform you that PLAN Action has decided to endorse you in your race. This information will be made available to our members and shared on our social media and website. Attached you will also find a copy of our logo if you would like to list it on your website.

PLANista's undertook a deliberative process that included dozens of questionnaires, interviews, and conversations. We are working to build a Nevada that all people have the ability to thrive, and we believe you are a candidate that will support, enhance, and advance our long term community priorities. Should you win your general election, we will reach out to begin working on a co-governance plan.

Endorsement Do's and Don'ts:

- You are being endorsed by PLAN Action Fund, the 501(c)4 wing of our organization which can legally engage in political work. Make sure to always say **PLAN Action** and only use the attached logo for this organization.
- PLAN Action engages in the electoral process through an independent expenditure. This means that our election advocacy is done without the cooperation, coordination, or consultation with any candidate or political party. We cannot partner with you on any events or strategy, but will engage in our own program in support of all of our endorsed candidates.

Please feel free to reach out to me if you have any questions.

In solidarity,

Cassie Charles
